KS3 History – how to access Kerboodle

To access Kerboodle, you will firstly need to go to kerboodle.com -

Your username will usually be the first letter of your first name, followed by your surname (with no capitals or spaces) e.g. John Brown's username would be – jbrown

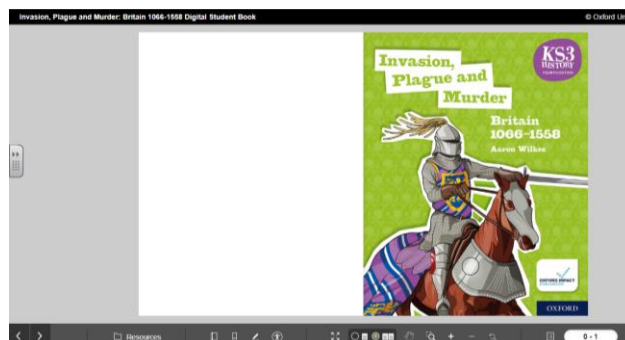

If this is the first time you are logging on, your password will be exactly the same as your username until you change it (if it isn't, you must have logged in and changed it previously).

As you can see, our institution code is – cpj2

* if you have problems logging in, email the school at admin@highfield.northumberland.sch.uk and ask for your email to be forwarded to Mrs. Bell *

Once you have logged in, you will need to click on KS3 History 4th Edition. You will then be able to see any assignments you have been given, and complete them by clicking on the 'assessment' tab. You will also be able to look at the student book by clicking on 'digital book'.
